ORDIS AIRFIELD

V1.0.0

User Manual

VIRTUAL
SIM
SOLUTIONS

Aeródromo de Ordis is a small airport in Girona, Catalonia, Spain. This airport does not have an ICAO code, but we use LEWG as a reference. It is located near other airfields, such as Beuda Besalú Private Airstrip, Aeròdrom de Viladamat, Ampuriabrava Airfield, Aeròdrom Tapioles, and Aeròdrom de Foixà. Ordis (LEWG) is home to just one flight school and many private owners who fly locally around the north of Catalonia.

INSTALLATION

Please uninstall all previous versions of the included airports you may have installed before. To remove the previous version of Ordis Airfield (LEWG):

1. remove all product's entries from the MSFS Community Folder,

The product will be install automatically to the simulator Community folder by SimMarket simInstaller installer.

SCENERY FEATURES

- Accurate building models
- PBR textures
- Static Planes and cars
- Custom Objects with Dirty Textures
- Custom 3D People
- Dynamic lighting
- Highly optimised
- 100% realistic scenery

COMPATIBILITY

Ordis Airfield (LEWG) is compatible with the last versions of MSFS and with all additional products of the Spain Region.

PERFORMANCE

Although we have put maximum effort to perfectly optimise the product, the proper simulator configuration is usually just as important.

LICENSE AGREEMENT

This is a legal agreement between you (either an individual or a single entity) and Virtual Sim Solutions (VSS) referred as the "Licensor" for the software product accompanying this Agreement. This agreement includes computer software and may include associated media, printed materials, and "online" or electronic documentation referred to as (the "Product"). By installing, copying, or otherwise using the Product, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, please, do not install, copy, or use the Product. The Product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. This Product is licensed, not sold. This License Agreement does not grant you any rights to patents, copyrights, trade secrets, trademarks, or any other rights with respect to the Product.

NO COMMERCIAL USE. This Agreement does not grant you the right to use the Product for any commercial purpose other than your personal use and the decision to enter into a commercial license with the Licensor for this Product for a Commercial purpose includes, but is not limited to, any purpose from which you, the end user of any application developed by you, or another person obtain financial or other consideration and any purpose associated with the operation of a commercial enterprise, even if you do not receive any consideration for that use.

NO MILITARY USE. This Agreement does not grant you the right to use the Product for any military purpose including any type of personnel training.

NO TRANSFER, MODIFICATION, OR REPRODUCTION. You may not rent, lease, sell, assign, loan, or otherwise transfer the Product. You may not transfer or assign the rights and obligations set forth in this Agreement without the Licensor's written consent. You may not remove or destroy any copyright notices or other proprietary markings. You may not modify or adapt the Product, merge the Product into another program, or create derivative works based on the Product. You may not reproduce or distribute the Product without the Licensor's written authorisation.

NO REVERSE ENGINEERING. In order to protect the trade secrets and proprietary know-how contained in the Product, you will not decompile, disassemble, or reverse engineer the Product except as expressly permitted by applicable law.

This software is provided 'as is' and any express or implied warranties, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement, are disclaimed. In no event shall the author be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of this software, even if advised of the possibility of such damage.

You agree and acknowledge that Licensor's liability to you for direct or indirect damages for any cause whatsoever, regardless of the basis of the form of the action, would be limited to the price paid to the Licensor for the Software and in the case of this License no amount was paid for this License and therefore you agree that the Licensor shall bear no liability for direct or indirect damages for any cause whatsoever, regardless of the basis of the form of the action.

SCENERY DESIGNERS. You are not allowed to decompile, convert or make changes to **any files included in the product**, without written permission from Virtual Sim Solutions (VSS).

ENTIRE AGREEMENT: This Agreement sets forth the entire understanding and agreement between you and Licensor, supersedes all prior agreements, whether written or oral, with respect to the Product and subject matter hereof, and may be amended only in a writing signed by both parties.
